Please:

- Allow 25 minutes / horse
- Schedule dental care in advance

- No vaccination schedule works for all horses and situations, I am happy to formulate a plan for your individual needs
- Young or unvaccinated horses may require an initial series of vaccinations

Enrolled horses receive a 5% discount on all services for the year
Special order items like Myristol[®], Assure[®] & Recover[®] will also receive a 5% discount
Additional services will be charged separately, with payment due at the time of service.
Calls outside of my normal travel range may incur a travel charge.
